Brooks,

Thanks for the update.

I downloaded the 26 files for IRS. I agree there may not be much there. I gather IRS did not indicate if additional information is coming. We will review the material and let you know what we think.

Also, would you like me to clear out the GoAnywhere folder? I believe most of the folders in project folder are things I posted for your and Kris' evaluation.

Best Regards,

Lisa

Hi Lisaq-

Kris Sent a request for tax returns to NMC Mead on 1/16 but has received no response. The owner for Spokane Recycling said he would check with his accountant but up until now I have not received those documents. I sent him a reminder email this morning requesting a date by when I would receive the docs.

Also, I finally got a pile of documents from IRS on Friday. I have put them on the GoAnywhere site. They appear to simply be a few dozen pdfs associated with a bid for asbestos abatement work.

Hi Brooks,

We are in the process of updating the PRP report and conducting a ATP analysis on CDC. Have you or Kris had any luck getting the income returns from Spokane Recycling or NMC Mead, respectively? Shall I anticipate any of these in the next couple of weeks? I want to inform my team on whether to expect this information or not so that they can schedule in the work.

I hope you are doing well.

Best,

Lisa
